# Creative Ideas for Poetry Tiles

I like to ...

- add poetry tiles to my Art Journals

- close my eyes pick 9 tiles and create a random poem

Me  
feeling  
being always creative  
I  
laughs  
above wings

then I pick up a pen and art journal  
or create an art collage of my poem

- pick a tile and draw or doodle picture about it

- pick 2 tiles and use them as a  
creative writing journaling prompt

...tell me about ...

endless

dreaming

Enjoy ... *Milliande*
